Kia ora Everyone

Just sharing this first draft. Our current school sign is rotting and looking sad. I contacted Corrections some time ago, this is their first response.

Kia ora Chicky,

Sorry for taking so long to get back to you in regards to your school signage. Here is a concept drawing that our boys have submitted for your approval. The letters are set out in the positive form which means they sit off the face of the carving. My recommendation for this is to use letters made of metal that sit off the carving by 15 to 20mm. Your thoughts?

Also Chicky, we need to set you up as a creditor to cover money transaction we may have so could you please fill our credit form out and return it to me as soon as possible.

Regards

Alf Burling
