Middle Syndicate Clubs

This term the Middle Syndicate will be running clubs each Friday in the first block. The children have already decided on the clubs they would like that includes bike riding, sports, ipads and games, hairdressing, building, baking, art and dance. Clubs will start in week 2. If any whanau are free during this time to join us, or would like to run a club please let us know.

Senior Passion Projects

This term all seniors will be involved in Passion Projects. This will take place on Monday and Wednesday mornings from 9:30-10:45 starting from Week 4. During this time, students will work on a project that they are passionate about. They will work with students who have similar interests. They will have

presentations during Week 8 to share with whanau.

Junior Syndicate Discovery

Each week the five junior classrooms (Rooms 1,2,3,7,8) combine together on a Tuesday morning from 9.20 – 10.45am outside rooms 1 and 2, to share and join in on simple play activities. The idea for this 'play based programme' is to allow children to communicate with each other and adults, while encouraging oral language capabilities. It is also encouraging the children to become successful learners by giving them opportunities to use the Key Competencies of the NZ Curriculum of relating to others, thinking, using language, managing self and participating and contributing, and using the strands and Principals of the ECE Curriculum (Te Whariki) through Play based Learning.

Whanau are more than welcome to come and join us during this time to interact with our children and see learning happening through a play based approach.
